EXPERIENCE

N-OMS Consultancy Pvt Limited, Pune

Full-Stack Developer Intern

April 2024 - September 2024 [Remote]

- Worked on building a live project for the **Pune Keraleeya Samaj (PKS) Organization** from scratch using **React**, **TypeScript**, **Tailwind CSS**, **Framer Motion**, and **AOS**.
- Collaborated with a group of developers, gaining valuable experience in teamwork and project management.
- Contributed to the company's core product, **Multi-Tenant Office Management System**, by developing a **Calendar Module** to manage events with **add, view, delete** functionalities.
- Integrated **REST APIs** and used **Ant Design** and **Tanstack Query** for a dynamic and responsive UI.

EDUCATION

Cochin University Of Science And Technology, Kochi —
Masters in Software Application Development
